## INSPIRA 2024 - ART FEST

The Learning Curve International School recently hosted its much-anticipated Art Festival 2024 - Inspira, a vibrant celebration of creativity and expression that brought together students, teachers, and parents in a joyful atmosphere. This annual event served as a platform to showcase the incredible artistic talents of our students and foster an appreciation for art in its many forms.

The festival featured a variety of engaging activities, including:

- **Interactive Workshops:** Hands-on sessions offered participants the opportunity to explore techniques like watercolour painting, pottery, and digital art.
- **Art Street, Live Art Sessions - Pottery, Hand block printing, and clay models,** Budding artists demonstrated their real-life skills, creating captivating artworks that amazed onlookers.
- **The sustainable clothing fashion show was designed and organized by the students.**

The highlight of the festival was the Art Competition, in which students competed in categories such as sketching, and painting. The winners received prizes. It reaffirmed our commitment to nurturing creativity and fostering an environment where young minds can flourish

# ANNUAL SPORTS MEET 2024

November 9, was truly special, marked by the presence of Para-Olympians Mr.Hemanth, Ms.Pallavi and Mr.Poorna Chandra who shared their inspiring stories, encouraging students to embrace challenges and strive for excellence. The event featured a wide range of activities, including track and field events, team sports, and skill-based challenges, ensuring something for everyone.

A graceful yoga display highlighted the importance of physical and mental well-being, while enthralling dance performances added vibrancy and entertainment to the day. Throughout the event, students demonstrated exceptional teamwork, discipline, and sportsmanship, making their teachers and parents proud. The day concluded with a grand prize distribution ceremony, where winners were awarded medals and certificates, underscoring the school's commitment to fostering holistic development and active participation in sports.

# ANNUAL SPORTS MEET 2024

November 10 we celebrated the foundation year's Sports Day with renowned dancer and Kung Fu specialist, Mr. Vimal Frank, as the chief guest. His mesmerizing performance energized the audience and set the tone for the day. The tiny tots charmed everyone with their excitement in the bunny and carrot race, 30-meter race, and hurdle races. Parents also participated in a variety of games, which brought out the spirit of teamwork and sportsmanship in all. Both days were a vibrant celebration of physical activity, collaboration, and joy, creating lasting memories for students, parents, and staff alike.

# TLCI FIESTA 2024

The air was filled with joy, laughter, and the magic of Christmas as The Learning Curve International School celebrated its much-awaited Christmas Fiesta! The entire campus was adorned with twinkling lights, festive décor, and the warm spirit of togetherness that this special season brings.

Our little stars put on a delightful show with carols, skits, and dances that truly captured the essence of Christmas.

The highlight of the day was the grand arrival of Santa Claus, who brought smiles and surprises to every child. From singing along to festive tunes to exchanging Secret Santa gifts, every moment was filled with excitement and joy.

Central Hall turned into a winter wonderland, thanks to our creative parents who took part in the Christmas Tree Decoration Contest. Parents joined by making it a truly memorable day for all.

As we wrapped up the day with laughter, music, full of gratitude. The Christmas Fiesta compassion, and

dance and delicious treats, our hearts were reminded us of the power of community, celebration.

Here's to a season filled with love, peace, and joy!

# ANNUAL DAY 2024 - 25

The much-awaited Annual Day was a grand success, featuring mesmerizing performances, drama, music, and cultural displays. This year's theme, Tales to Theatre and Nostalgia Express, beautifully celebrated diverse cultures and traditions through stunning performances by our talented students.

# ANNUAL DAY 2024 - 25

The event was graced by Dr. Sapna, Head of the Department of Journalism and Mass Communication, as the esteemed chief guest. The highlight of the evening was the graduation day of Foundation 2 and the Awards Ceremony, where students were recognized for their outstanding academics, attendance and versatile student, making the occasion even more memorable.

# ANNUAL DAY 2024 - 25

# KINDERGARTEN GRADUATION DAY 2024 - 25

The Learning Curve International School recently hosted a heartwarming *Kindergarten Graduation Day*, marking a significant milestone in the young learner's journey. The event was filled with joy, excitement, and pride as our little graduates, dressed in their hats and gowns, confidently walked the stage to receive their certificates.

The ceremony began with a delightful welcome performance, followed by inspiring speeches from teachers and special guests. Parents beamed with pride as they watched their children showcase their talents through songs, dances, highlighting their growth and achievements over the academic year.

This special day was not just about celebrating achievements but also about cherishing the beautiful memories and friendships formed in kindergarten. As these bright young minds take their first steps into primary school, we wish them success, happiness, and a lifelong love for learning.

*Congratulations to our little graduates! The future is bright, and this is just the beginning.*

# GRADUATING BATCH 2025

A bittersweet yet proud moment for our senior students, the Graduation Day Ceremony marked the beginning of a new journey. With inspiring speeches by our faculty, the event honoured our graduates' perseverance and accomplishments. The ceremonial cap toss symbolized their transition to new opportunities and challenges ahead. We wish our graduates immense success in their future endeavours and look forward to seeing them achieve great heights.

## COMPETITIONS - BUSINESS PLAN

Our budding entrepreneurs presented ground-breaking ideas at the Business Plan Competition under the banner of the Mysore Stock Exchange. Students from AS level pitched their innovative business proposals, focusing on sustainability, technology, and social impact. Industry professionals and educators attended and participated in the competition, helping students and guests understand the fundamentals of entrepreneurship, financial planning, market analysis and the concept of the Stock Market. The event was a fantastic platform for students to develop leadership, teamwork, and business acumen.

# COMPETITIONS - COMIC STRIP

The Comic Strip Competition unleashed the creativity of our budding artists. Students poured their imagination into crafting comic strips that combined humour, storytelling, and artistic skill. The colourful panels and witty captions reflected not only their creativity but also their ability to think outside the box.

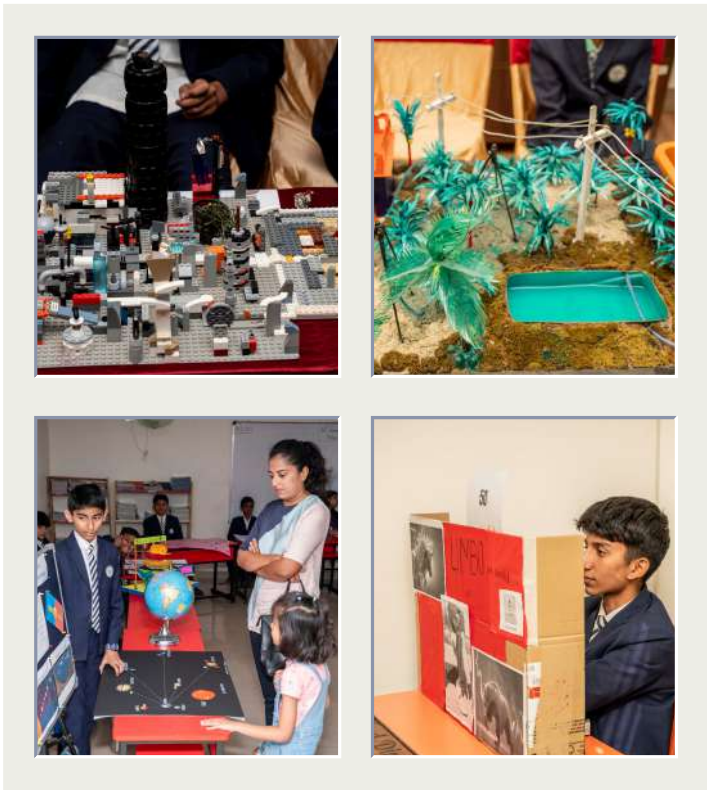

# COMPETITIONS - MOM & ME

The Mom & Me Competition was a heartfelt celebration of the special bond between parents and children. From creative challenges to interactive games, the event was filled with laughter, joy, and collaboration. Mothers and their children worked as teams, creating unforgettable memories while showcasing their talents in the form of fashion shows with paper costumes, dancing to the tune of peppy music enacting the story with an ethical theme and partaking in whisking memories with mom.

# COMPETITIONS - MODEL PRESENTATION

Innovation and creativity took centre stage at our Model Presentation and Science Expo, where students showcased their scientific prowess through interactive models and research projects. From sustainable energy solutions, the exhibits reflected our students' critical thinking and problem-solving skills. Parents, teachers, and guests appreciated the effort and ingenuity displayed by our young scientists.

# COMPETITIONS - VOCABULARY PARADE

Our Vocabulary Parade was a lively and educational affair, where students brought words to life through creative costumes and performances. From "Astronaut" to "Magical," every word had to be spelt and came with an explanation, sparking curiosity and enriching everyone's vocabulary. The event underscored the importance of language while adding a playful and engaging twist to learning.

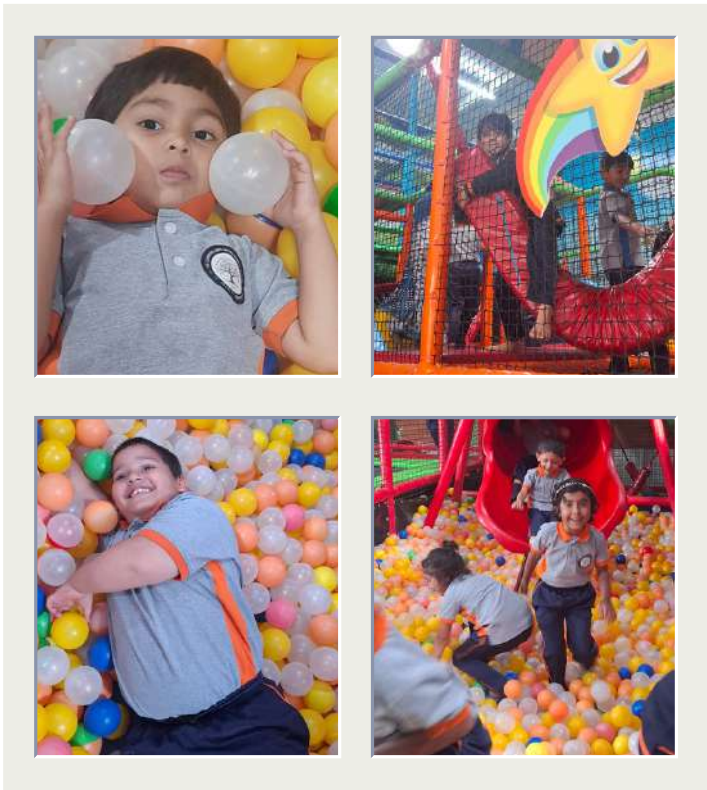

## FIELD TRIP - ZOO

Grades 1 and 2 visited the Mysore Zoo. It was a fascinating journey into the animal kingdom, igniting the students' curiosity about wildlife and their habitats. Guided tours and interactive exhibits allowed them to observe a variety of animals in close up while learning about biodiversity, conservation efforts, and the importance of protecting endangered species. This experience not only broadened their understanding of nature but also instilled a sense of responsibility toward the environment.

## FIELD TRIP - KIDSPACE

Our foundation year's students visited Kid Space which was a dynamic and creative experience, where students delved into play-based learning. This environment encouraged them to use their imagination, collaborate with peers, and discover new skills through interactive and hands-on activities. The space fostered critical thinking and problem-solving abilities, blending fun with education in a way that resonated deeply with the students.

## FIELD TRIP - SAKLESHPUR

Our high school students' outdoor learning experience was the visit to Sakleshpur, a picturesque destination known for its lush greenery and serene landscapes. Students immersed themselves in nature, participating in activities that highlighted the beauty and importance of the natural world. Trekking through scenic trails, engaging in team-building exercises, and observing sustainable practices first-hand helped them develop environmental awareness and fostered a deep appreciation for teamwork and collaboration.

## FIELD TRIP - SAKLESHPUR

**Outdoor learning took centre stage with a series of enriching field trips to Kidspace, the Zoo, and Sakleshpur, providing students with invaluable opportunities to explore, engage, and learn beyond the classroom walls.**

**These field trips were more than just excursions; they were carefully curated experiences that combined education, exploration, and enjoyment. By stepping out of the traditional classroom setting, students gained a broader perspective, deepened their understanding of the world, and cultivated essential skills that will stay with them for a lifetime.**

**Each of these events demonstrated the vibrant spirit of TLCi, where education goes beyond textbooks to create meaningful experiences. We are proud to see our students grow as confident, curious, and well-rounded individuals, ready to take on new challenges with enthusiasm.**

## *A Heartfelt Thank You for Your Support..!*

Dear Parents,

As we close out another successful academic year, we wanted to take a moment to express our sincere gratitude for your unwavering support. Your involvement and encouragement have been vital in creating a positive and enriching environment for students.

Whether it was assisting with assignments, attending events, or offering words of encouragement, your efforts have not gone unnoticed. It's clear that you are deeply invested in your child's education, and that dedication has made a profound impact on their growth and success this year.

Thank you for being such an essential part of this journey. It's been a pleasure working with you and watching our students thrive.

Wishing you a restful and joyful summer!

Stay tuned for more exciting events and updates next year

2025-26!

 *Thank You*
